Green Party

MAKE YOUR VOTE COUNT!

We are a fast growing positive alternative to the big two parties in Leeds.

The Greens have six councillors, making us the third largest party. With more councillors, we have more influence.

We are the only city-wide party who can effectively challenge Labour.

Only we can deliver the changes Morley wants and needs, other parties can't. Planning must be fair!

We can send Labour a message.

With another Green councillor, Labour will hear that cuts and austerity aren't the answer.

VOTE FOR REAL HOPE. VOTE FOR REAL CHANGE. VOTE FOR CHRIS BELL.
