# Morley needs real change

'There's a 70% chance!'  
Conservatives and Reform UK  
are 'likely' to merge before  
General Election

Tory party donor calls for  
Reform UK and Conservatives  
to merge

Nearly half Reform supporters want  
merger with Conservatives

**Last July, Morley voted to get rid  
of the Conservatives.**

Don't bring them back in a  
different coloured rosette by  
voting for the same policies that  
were completely rejected 12  
months ago.

**If you vote for local campaigner  
Chris Bell, you can give Morley a  
passionate local councillor  
willing to listen to residents and  
do what is needed to make  
Morley the best it can be.**
